

**ABSTRACT SUBMISSION FORM**

## Instructions for abstract submission (Please read carefully)

- There are two forms to fill in to allow your abstract to be submitted for peer-review. You will be required to fill in your registration details below. **You will not be charged until after your abstract is reviewed and accepted/declined** to allow the appropriate price to be offered, however after entering your details below, a payment reference will be generated to allow payment to be requested at a later time. **You will require this number to be entered onto the next form – please write it down carefully.** Entry of an incorrect payment reference will prevent your abstract being properly registered and there is a chance you will not be able to have your abstract considered and accepted. Once you have filled in the form below, please follow the link to the abstract submission page – this can be done at a later time, so please make a note of the link.
- **We would strongly recommend editing and formatting your abstract text in a word document prior to submission via the entry form.** Abstracts must be no more than 300 words. Tables and illustrations may also be submitted as PDF, word document or high-resolution JPG files.
- For any queries please contact [PGME.Education@gosh.nhs.uk](mailto:PGME.Education@gosh.nhs.uk)

Please take a **careful** note of the payment reference, as you will need this on the next part of the abstract submission process. Please note, you have **NOT** been charged for a place at the conference yet, as the appropriate price will be determined after your abstract has been considered for presentation (in line with the reduced price for successful abstract submissions). The early-bird price will still be available until after abstract submissions have been reviewed and the main author or contact person has been notified.

**We would strongly recommend editing and formatting your abstract text in a word document prior to submission via the entry form.** Abstracts must be no more than 300 words. The submission form will not stop submissions over 300 words, but any submissions exceeding the word count will be rejected. Tables and illustrations may also be submitted as PDF, word document or high-resolution JPG files.

Please click the link below to submit your abstract:

<https://www.surveymonkey.co.uk/r/PCSNN3Y>

The link can be used at another time provided you have your payment reference, so please make a note of the link.

Many thanks,

GOSH Conference 2018 Team
