Cancellations by PGME and changes to course content

Courses may be cancelled for educational, practical or business reasons, e.g. where numbers are expected to be so low that the student learning experience will be harmed or where a centre is unable to resource a course or where a course will not be economically viable.

PGME events and courses are constantly updated and while we endeavour to deliver the courses as advertised there may inevitably be occasions where we have to change content without prior notice or, in exceptional circumstances, change venue or cancel an event.

In the case of a course cancellation delegates will be offered a full refund. PGME cannot compensate for time spent travelling or away from the place of work.
